Celebration

Volunteers, French and Indian Youth have gathered together within the Sristi Village Foundation in order to take part of a tree plantation activity. We supported the Sristi Foundation that had projet to plant 70 coconuts trees in their land.

A beautiful working day that allowed us to prepare the ground for this huge plantation activity. After a delicious meals based on organics products, we had a discussion with the team of Sristi and took a walk for a guided tour of the village.

Sristi Village Foundation

It was a beautiful opportunity to know more about Sristi who works towards improving the lives of people with intellectual and developmental disabilities. They use a combination of education, life skills training and agriculture to help people who are faced with exclusion, neglect and many other disadvantages that limit their effective participation in mainstream society.

The aim is to empower their members with training and skills that will enable them to lead a more independent and dignified. This methodology combines education, life skills training and agriculture.
